Eyelash Extension Q&A

\$29.99

How Long does the eyelash last?

It typically lasts about 3-4 weeks and sometimes even 5 weeks depending on how good you keep them on.

Can I choose the length of the eyelashes?

Yes, there are three different sizes: short, medium and long. Choose your own length!

What kind of eyelash are available?

We have individual lashes as well as the grouped lashes you can find at stores. To get the most natural look, we recommend the individual lashes instead of grouped lashes.

How long does it take to complete?

30—40 minutes. Appointment is required!

Do I need a doctor's prescription for this?

No prescription necessary! Please notify us of any skin condition & consult with your doctor!
